Tutorial for Female Body Drawing

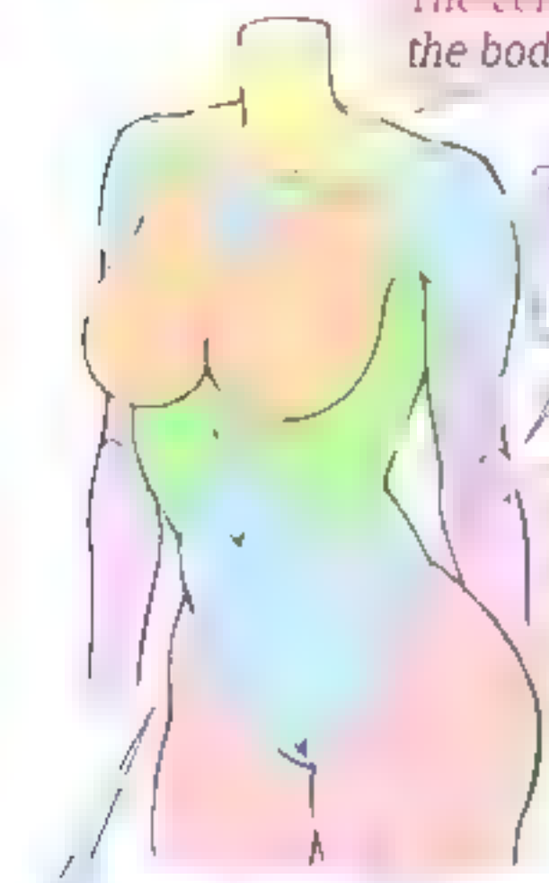
Created by Takuya Yoshimura

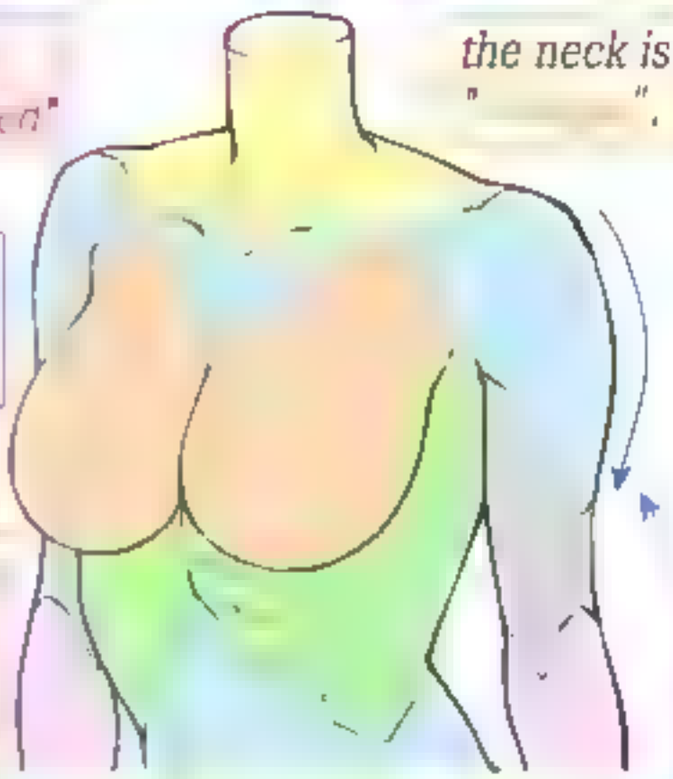
The central axis of the body is "S shaped"

the neck is "[illegible]".

The outline of the arm is "J shaped"

[illegible] is not a straight line





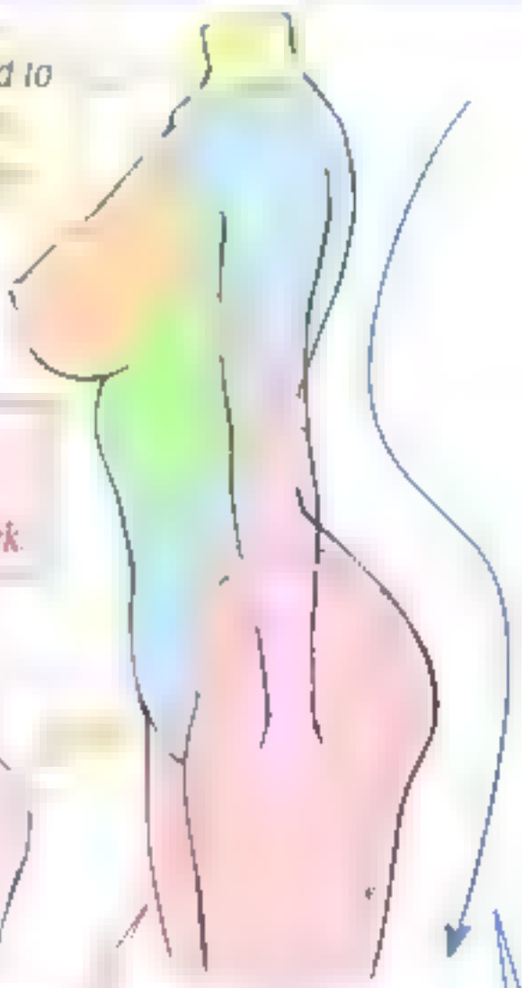
It runs give it a [illegible] silhouette.

The navel runs through the center of the body.

It is more realistic to draw the lower part of the shoulder so that it bulges out a little!

Above the breast is straight. The lower part is curved.

[illegible] is imagined to be [illegible]



You should draw it so that it shows just a little bit of back

swell a little

The navel is V-shaped

The base of the leg should be at "navel level"

The central axis viewed from the side is "S shaped"

This commentary is not intended to determine the superiority of body shape. The purpose is to provide a guide for illustration.

WHAT IF I'M TERRIBLE AT IT? WHAT IF HE THINKS I'M STRANGE? NO, NO, FOCUS. HE'S KIND. HE WON'T LAUGH.

PROBABLY.

WELL, FAKE HUSBAND. NO, REAL HUSBAND NOW?

OKAY, YOR. YOU CAN DO THIS. IT'S JUST LOID. YOUR HUSBAND.

OH, WHY IS THIS SO COMPLICATED? JUST... BE NATURAL.

I'M READY.

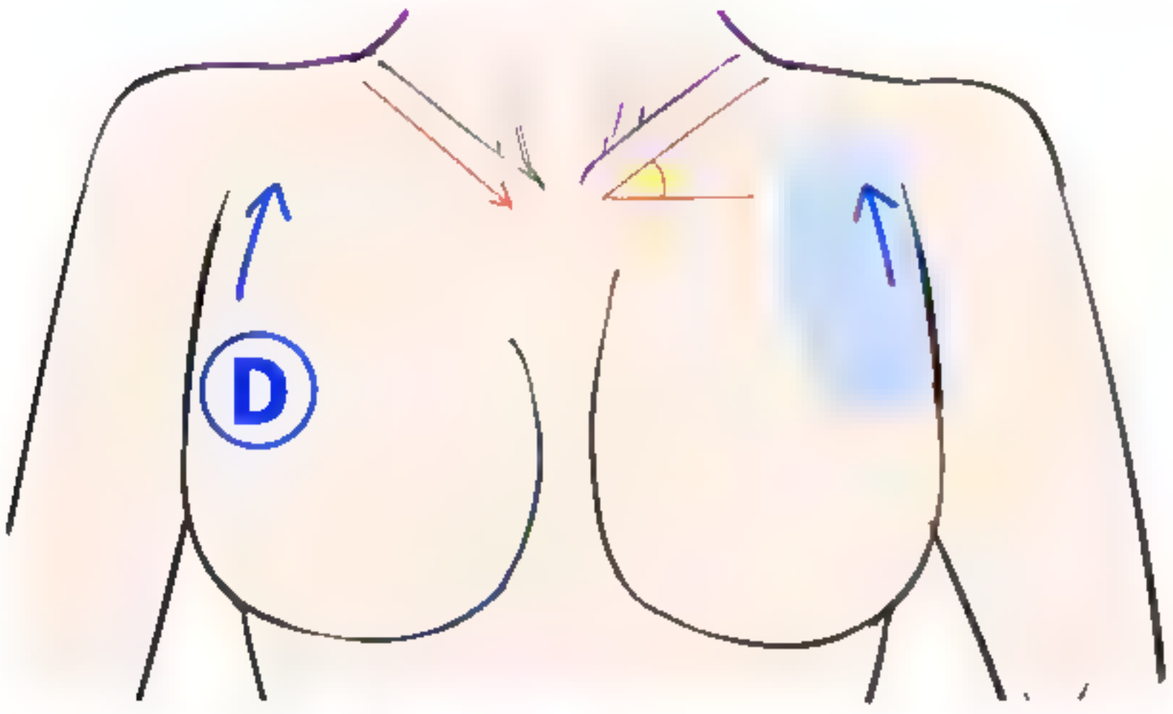
Arm angle A is masculine because it extends outward

Navel position B is too high

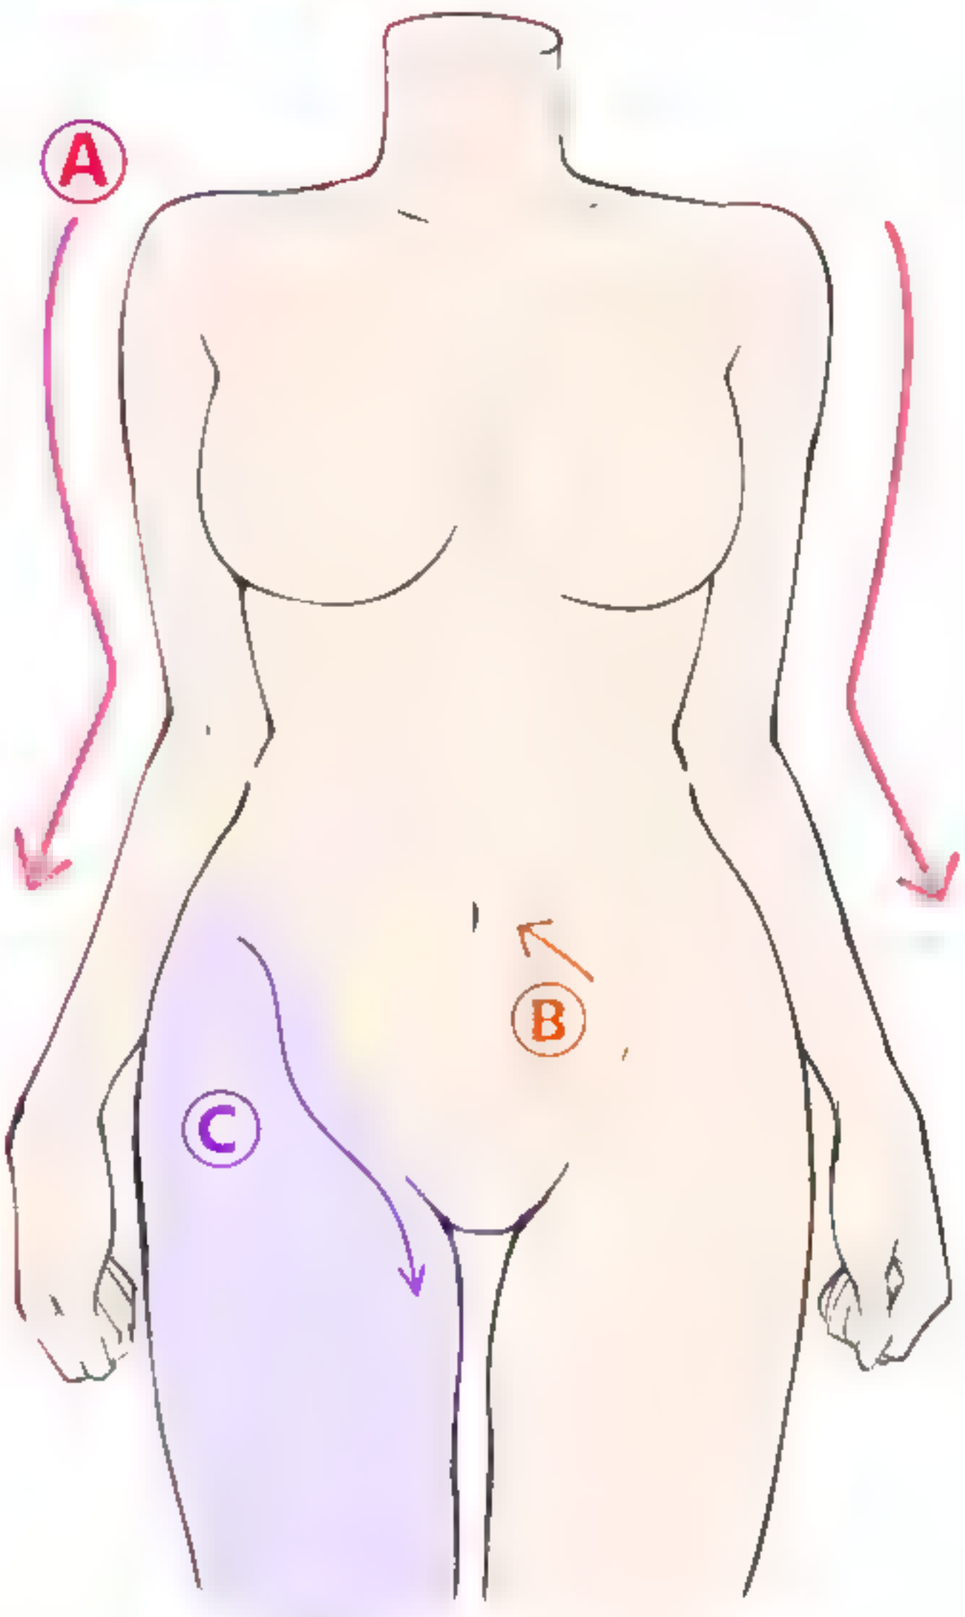
Line drawing at C is too monotonous



The outer line D of the chest is straight and there is no 3D of the sides

The collarbone is too steeply angled.

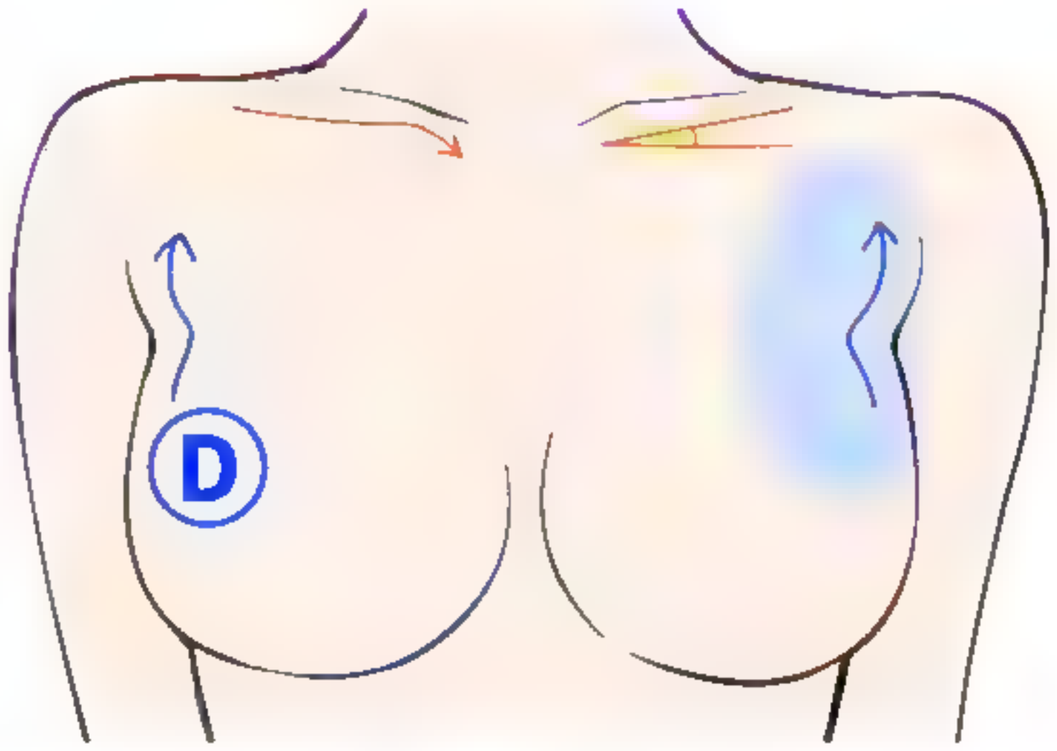
○ Good



Arm line A should be inflected inward

Umbilical position B should be below the nape line

C line is not straight



Refracting line D expresses skin softness

The collarbone is gently angled.

If this Synchro Summoned card is sent to the GY as Synchro Material: Inflict damage to your opponent equal to the new Synchro Summoned monster's Level x 100, and if you do, you can add 1 Level 8 or lower monster with 600 DEF from your Deck to your hand. You can only use this effect of "Cupid Pitch" once per turn.

Goddess of the Two Sides

[Fairy/Effect]

If this card is Normal or Special Summoned: You can add 1 monster from your Deck to your hand that has a coin tossing effect, except "Goddess of the Two Sides". During your Main Phase: You can toss a coin and call it: If you call it right, double the ATK of all monsters you currently control until the end of this turn. If you call it wrong, send as many monsters you control to the GY as possible (min. 1), and if you do, draw 1 card. You can only use each effect of "Goddess of the Two Sides" once per turn.

Anti-Venom, Horrifying Healer

Legendary Creature — Symbiote Hero

When Anti-Venom enters, if he was cast, return target creature card from your graveyard to the battlefield.

If damage would be dealt to Anti-Venom, prevent that damage and put that many +1/+1 counters on him.

Energy efficiency:

83%

Note:
Sweat of subject seems to be near pure liquid energy. Increasing stimulation by 200%...

Note:
The more energy is released, the more sensitive the subject becomes.

Please come with me now, sir.
Your flight was so long.
We must do your hourly session.

Always on top of things, aren't you? Yes, you're right.
I am feeling quite eager right now.

Welcome home, sir!
How did your business trip go?

It was great. Very enlightening. I may be adding a few more bunnies to our little play pen her soon.

Good job, sir!
Incredible as always!

First, let us free these aching tits. You must be in so much pain. I can feel how hard they are.

Ah, yes—
Please, sir. Take care of me.
I love having you suck on my breasts.
I-it makes me feel so tingly.

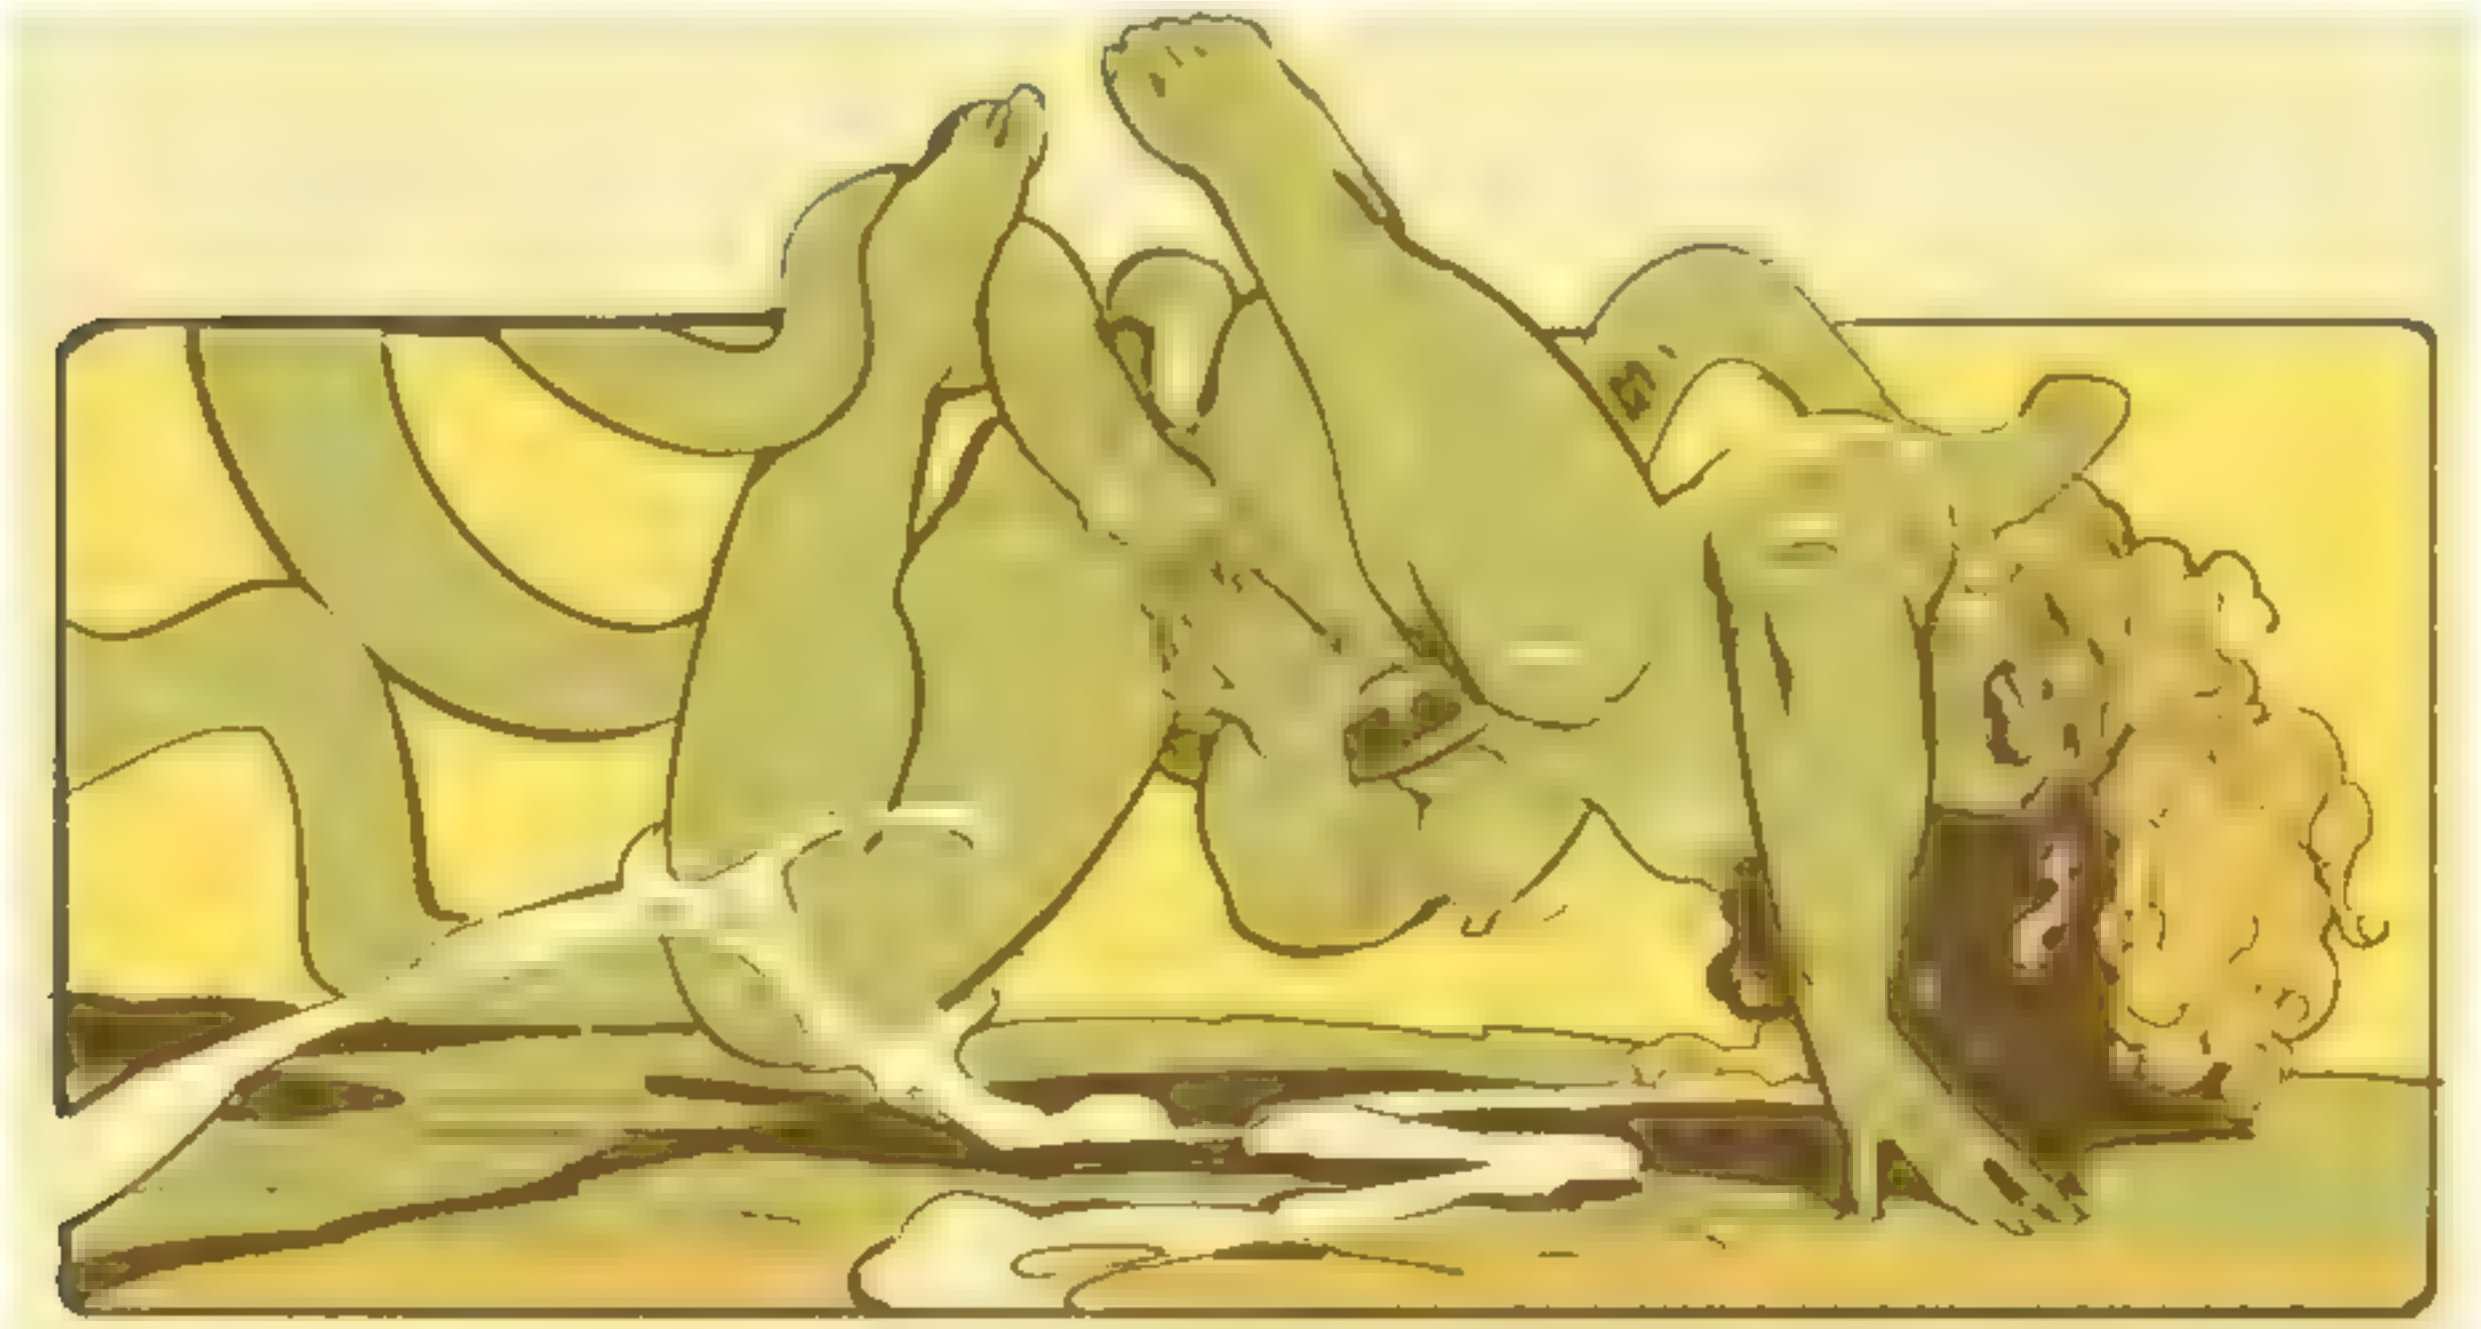
“Eeasssy now, jussst a few more,” comes the consoling voice of Paier.

“I’m tr-trying” returns Carab in a plaintiff moan, their breath coming out in a hiss as another chain tumbles onto the floor.

You hear the goblin's voice issuing forth encouragement between gasping breaths caused by her own exertions.



You begin to feel a throbbing shudder rise through Carab’s body beneath you once again. Your own body tenses in response as you strain to keep the pale form from shaking Paier loose from above you, even as their other tentacles thrash and foam in the pool.

BB：早上好呀~前辈♡……啊弄错了弄错了。应该是人类最后的杂鱼御主小姐~

藤丸立香：？？？（怎……怎么回事……好像说不了话一样）

BB：嘿嘿~前辈肯定很好奇现在的自己是什么样子吧~

最后的来自前辈

藤丸立香：！？？

BB：啊哈~现在的前辈竟然变成了只有小前辈在外面的样子！

藤丸立香：呜呜！呜呜！

最后的来自前辈

BB：总而言之，就先用这个飞机杯解决一下吧！前辈也不要射的太快哦？不然的话……嘿嘿

呜哇~感觉小前辈好像变大了很多呢

藤丸立香：呜呜呜！！！

最后的杀鱼前戏

BB：哈啊啊啊？前辈怎么这就射啦！这样BB亲不就没有东西玩了嘛！

BB：难道是因为锁的太久所以很容易就射精了吗……BB亲太失算，但是我可不能接受前辈这么快就结束！

最后的杀鱼道具

藤丸立香：呜呜呜呜呜！！！！！

BB：唉。本来不想这么快就用这个东西的。没想到小前辈现在已经这么杂鱼了……

BB：啊哈~喷出来了喷出来了！这样是不是非常舒服呀~前~辈~

藤丸立香：呃嘶哦哦哦呜呜！！！！！

BB：拘束完成！第二轮要开始咯~这次就用这个吧！
毕竟小前辈的脑袋很弱呢~

藤丸立香：（忍……忍耐……）

最后的来自前辈

BB：搓搓~搓搓~明明小前辈刚刚喷过一次~现在肯定超级超级敏感吧~

藤丸立香：（忍耐！忍耐！）唔唔……

BB：前辈怎么没声音了？不会是被BB亲吓到了所以不敢叫出来吗？

最后的来回抽插

BB：快叫呀~快叫呀~前辈真的是，难道BB亲真有那么可怕嘛？不就是让一次射精而已，之前那么久都忍过来了还差这一次嘛？

藤丸立香：（忍……忍……）呜嗯嗯嗯！！！

BB：所以呢，对付没用的前辈就要下点猛料！今天最后的玩具就是这个——已经在媚药润滑液中泡了很久的超柔顺丝滑的纱布哦？
当然，这次不管前辈能不能忍耐下来都是禁止射精的！抗议自然也是无效的！

最后的来宾前五

BB：啊啦啦~小前辈的抛光完成咯，怎么看都是一个很适合被欺负的小家伙呢~

前辈好像也没动静了呢……难道说还是太刺激了吗？

BB：哈哈哈哈！这就是前辈的根性吗……没想到就算被毁灭成这样也要射出来……啊，应该说流出来吧？
就如我刚才说的一样，心怀感激吧，因为这将是你最后一次射精了，从现在开始，我将会好好的折磨前辈，直到这个世界毁灭为止

DAILY BU

"Use Me As A Toilet!"
Jean Grey Holds Public Orgy

Jean Grey, who has been outspoken about the need for former heroes to maintain their dignity, has evidently changed her mind. The fiery-haired beauty was spotted on a public street, encouraging city homeless to spread the word that she would be a free-use sex for any man with a large penis. She invited everyone present to masturbate on her face and spit in her mouth. Reaction

Reddit Post

I created this guide with the intent to focus closely on the major arcs and making it "easy" to follow arcs through reading order. Minor / Unaffiliated books are given less attention than a book / short story that is a part of a greater arc. That was my intention at least... so there is no semblence of chronology in terms of dates of events, nor when it was published. There are a couple of other timelines out there that have this already anyway.

I put this together with the help of the Black Librarium Guide V2.1, as well as RantTank's rough draft here.

Morning folks!

Just some of the portrait sketches/drawings I did the past few days.

Slowly finding something that works for me😭❤️🎨

Used to dread doing faces but since I been watching @prokotv.bsky.social with @patriciosoler.bsky.social recommendations, its fun!

Excited to learn more.🙏

This is a big reason Gen Z is refusing to work. They might not frame it this way but they recognize they are being screwed and said 'fuck it'.

ICE officers stopped by our farm yesterday.

"We need to inspect your property for illegal aliens," one of them said.

I replied, "Alright, but whatever you do, don't go into that field over there."

The officer in charge exploded.

"Mister, I have the authority of the federal government behind me!" he barked, reaching into his back pocket. He yanked out a badge and shoved it in my face.

"See this fucking badge? This badge means I can go wherever I want on ANY land. No questions asked, no answers given. Am I clear? Do you understand?"

I nodded politely and said, "Be my guest."

Then I went back to my chores.

About ten minutes later, I heard screaming. I looked up and saw six ICE agents running for their lives, being chased by my big, mean, old bull. And with every step, that bull was closing in. Fast.

It looked like they were about to get gored for sure.

So I dropped my tools, ran over to the fence, and shouted at the top of my lungs:

"YOUR BADGE! SHOW HIM YOUR FUCKING BADGE!"

The first time you would create one or more tokens each turn, you may instead create that many tokens that are copies of enchanted permanent.

Wrenn and Realmbreaker {1}{G}{G}

Legendary Planeswalker — Wrenn

Lands you control have "{T}: Add one mana of any color."

+1: Up to one target land you control becomes a 3/3 Elemental creature with vigilance, reach, and haste until your next turn. It's still a land.

−2: Mill three cards. You may put a permanent card from among the milled cards into your hand.

−7: You get an emblem with "You may play lands and cast permanent spells from your graveyard."

Realmbreaker, the Invasion Tree {3}

Legendary Artifact

{2}, {T}: Target opponent mills three cards. Put a land card and/or a card with a basic land type from among the milled cards into your graveyard onto the battlefield tapped under your control. Tap Realmbreaker and it gains haunting until it leaves the battlefield. (Exile it, bound to another creature. When that creature dies, put this card onto the battlefield under its owner's control.)

{T}: Search your library for an Elemental permanent card and/or a card with a basic land type, put them onto the battlefield, then shuffle.

Phyrexian Atlas {3}

Artifact

{T}: Add one mana of any color.

Corrupted — Whenever Phyrexian Atlas becomes tapped, each opponent who has three or more poison counters loses 2 life.

The Seedcore

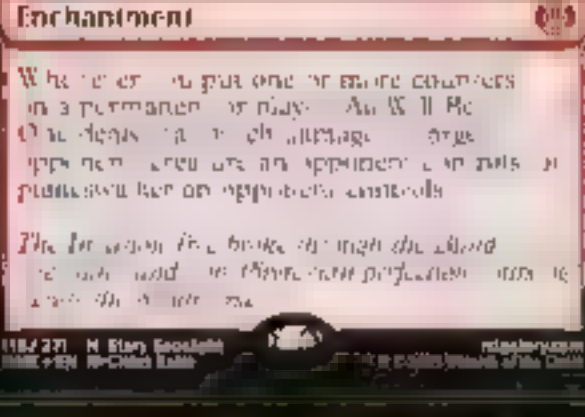
Land — Sphere

{T}: Add {C}.

{T}: Add one mana of any color. Spend this mana only to cast Phyrexian creature spells.

Corrupted — {T}: Target 1/1 creature gets +2/+2 until end of turn. Activate only if an opponent has three or more poison counters.

All Will Be One {3}{R}{R}

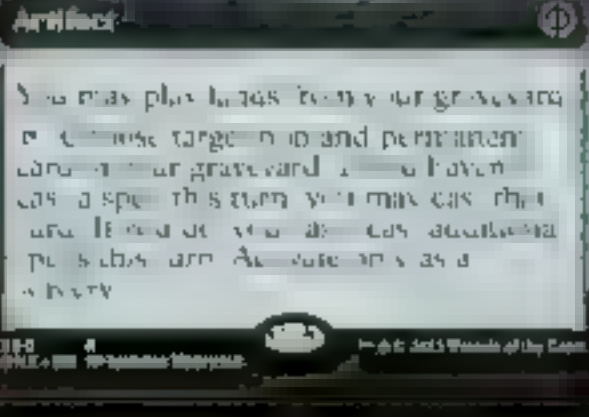


Enchantment

Whenever you put one or more charge counters on a permanent you control, All Will Be One deals 1 damage to each opponent and each creature and planeswalker they control.

The Invasion first broke through the blood of Yawgmoth and the Phyrexian perfection with which he remade the multiverse.

Conduit of Worlds {2}{G}{G}



Artifact

You may play lands from your graveyard.

{T}: Choose target land and permanent card in your graveyard. If you haven't cast a spell this turn, you may cast that card. If you do, it enters with an additional charge counter on it. Activate only as a sorcery.

Begin the Invasion {X}{W}{U}{B}{R}{G}

Sorcery

Search your library for up to X battle cards with different names, put them onto the battlefield, then shuffle.

Breach the Multiverse {5}{G}{G}

Sorcery

Each player, choose a creature or planeswalker card in that player's graveyard. Put those cards onto the battlefield under your control. Then each creature you control becomes a Phyrexian in addition to its other types.

The Mycosynth Gardens

Land — Sphere

{T}: Add {C}.

{1}, {T}: Add one mana of any color.

{X}, {T}: The Mycosynth Gardens becomes a copy of target nonlegendary artifact you control with mana value X.

Ichor Elixir {4}

Artifact

If you would roll one or more planar dice, instead roll that many planar dice plus one and ignore one.

{T}: Add {C}{C}.

The corrupted essence of Kaldheim's World Tree became the seed from which Norn Phyrexia's Realmbreaker grew.

STEP 1: STRUCTURE

Any head construction approach aims to give an average of the skull and generic representation of the features basic forms.

From this average I look for the specifics of an individual through the manipulation of that basic construction, informed by anatomy.

I'm using the "Loomis method" in this particular case

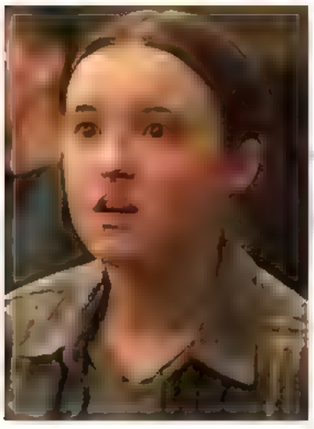
STEP 2: REFINE



I begin the process of observing likeness by **refining** the largest features and working to the smallest.

For example, I might rethink the entire skull and its specific shape prior to looking at the individual features.

I might ask myself what the skull shape is, lean of the forehead, width and angle of the jaw, etc.

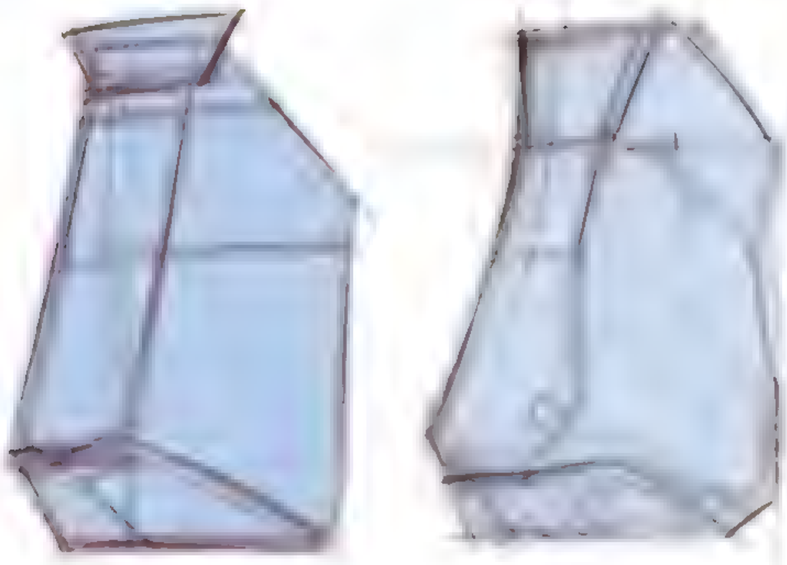
STEP 3: REFINE

4/6



After looking at the largest shapes, I move to sculpting more accurate forms for the features. For example, I might sculpt into the initial box form of the nose something more specific to what I observe (or imagine. This could be accomplished by rethinking the bone and cartiladge or through pushing and pulling the established lines.

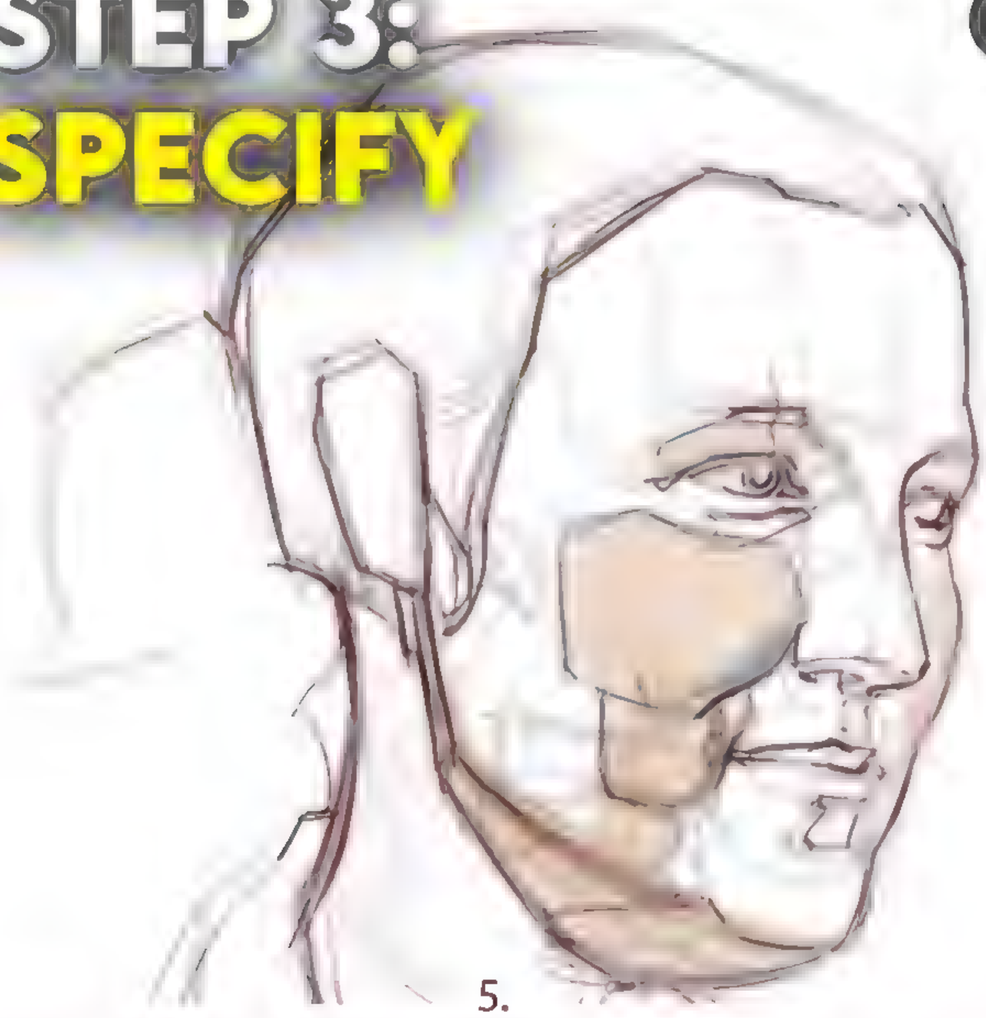
STEP 3: SPECIFY

5/6



5.

Once the larger forms of the features are closer to my source, I'll look to the supporting forms of the face. More specifically, I might look at the structural and subcutaneous fat pads. In addition to pushing likeness, these help define specific representations of age, ethnicity, or gender.

is implied that the Blind Eternities lie in the opposite direction, beyond the outer "wall" of the Edge, but we don't actually know what, if any sort of dividing line there is between the Edge and the Blind Eternities ("wall" is just used for simplification) since the rate of expansion exceeds the speed of light, meaning observation can never reach the far edge.

From what I understand, the Edge is not a buffer between the Multiverse and the Blind Eternities, but the Multiverse/Blind Eternaties and nothingness. In the preview panel, the analogy of an orange is used. The inside of of the orange is the multiverse with the orange seeds (planes) surrounded by orange flesh (Blind Eternaties), the orange/multiverse is then wrapped in a peel (the Edge).

A plane is a single universe, including all the planets in that universe. Planets are planets, like earth. The multiverse is the collection of all universes aside from our own. The multiverse is connected by the Blind Eternities, which have omen paths going through them.

Planes can be any size, some are a house, some like the realm of meditation were made by planeswalkers as personal retreats, and others like Dominaria are the size of our real life solar system or even larger.
As for the Edge, that is where space and the blind eternities "meet" so to say.

Kingmaker as you said already is the best up there by my estimate. The First Heretic and Betrayer not far behind.

If you want to try Orks I'd add in Ghazkul Thraka, Prophet of the Waaagh. (edited)

Legendary Creature — Human Wizard

You may have The Misty Stepper enter as a copy of a creature you control, except its name is The Misty Stepper and it has its other abilities.

The Misty Stepper can't be blocked.

Spells you cast have split second. *(As long as that spell is on the stack, players can't cast spells or activate abilities that aren't mana abilities.)*

古い石造りのアーチと柱に囲まれた神秘的な地下湖で、無数の蓮の花が光りながら水面に浮かんでいる。温かな黄金の光が水面に反射し、まるで液体の光が流れているかのよう。石の建築には細かな装飾が施され、この場所がかつて神聖な神殿だったことを物語っている。

franmiyara Hey! So, this is a box cover art I did for Star Wars Legion. Quite a challenging image on a very tight deadline, but I like how it turned out. Shout-out to the awesome Preston Stone, who art directed this one. I have to say I love painting SW villains lol.
I'll be posting more of these, since they've been releasing lots of products I worked on :D.
